

COP-OUT

A Novel By: *Lucian L. Thompson*

From The Author

This story is fiction and the names in this book hold no significant reference to anyone living or dead. Although this story takes place in a time yet to come, I feel that this scenario and many more like it will take place after the Rapture of the believers in Jesus Christ. I tried to stay close to my understanding of the Holy Bible in my interpretations of the events that will come on this earth after the Blessed Hope (the Rapture).

Almost all the text in the twenty-second and the twenty-third chapters are direct quotes from some of the scriptures found in the book of Revelation. My source was the New International Version of the Holy Bible, published by The Zondervan Corporation of Grand Rapids, Michigan 49506, U.S.A., Copyright @ 1978 by the New York International Bible Society.

Acknowledgments

First...I would like to thank *Jan Bougher* for her help and patience in reading my manuscript bit by bit as I gave it to her. Her comments and red pencil corrections are much appreciated by this author.

Second...I would like to thank my brother, John Clark Thompson a published author, for his encouragement and assistance in writing and putting this book into a publishable form.

Third...I want to thank my beautiful Christian wife of 24 years, Kathy Thompson, for her devotion to God and to me. She had been a helpmate and an inspiration to me. She is now with the Lord.

Last...but most important, I want to give my thanks and any glory to my Father God, through Jesus Christ, my Savior. I truly feel that God inspired me to write this book. My prayer is that I wrote it exactly the way the Lord laid it on my heart.

**This book is dedicated to Audrey “Kathy” Thompson, and my “Daddy Bear”, Julian Clark Thompson, both of whom are with our Lord and Savior, Jesus.
We will be Home soon, Kathy and Daddy.**
